08-11.06.2023., HOTEL MOSTAR, MOSTAR

Poštovane kolegice i kolege,

Osobita mi je čast i zadovoljstvo pozvati Vas na 1. KONGRES PERINATALNE MEDICINE BOSNE I HERCEGOVINE s međunarodnim sudjelovanjem u organizaciji Udruge/Udruženja za perinatalnu medicinu u BiH (UPM u BiH). Kongres će se održati u Mostaru od 08-11.06.2023. godine. Tijekom kongresa kroz klinički aktualne tematske cjeline, sudionici će imati priliku čuti najnovija saznanja i preporuke za dobru kliničku praksu od priznatih stručnjaka iz regije i inozemstva. Neki od pozvanih predavača koji će prezentirati klinički najvažnije perinatološke teme su izvrsni znanstvenici i kliničari koji dolaze iz Finske, Italije, Austrije i Izraela. Vjerujem da će odabrane teme i predavači privući pažnju i interes brojnih kolegica i kolega, a sve s ciljem postizanja kvalitetnije zdravstvene zaštite naših trudnica i njihove djece. Pozivamo Vas da svojim sudjelovanjem i prikazom svoga rada putem oralne prezentacije ili postera doprinesete uspjehu Kongresa. Zasigurno ćete uživati u druženju, zanimljivim izlaganjima i diskusijama te neizostavnom zabavnom dijelu Kongresa.

Veselimo se Vašem dolasku u sunčani Mostar!

Prof. dr. sc. Vajdana Tomić  
Predsjednica Udruge/Udruženja za perinatalnu medicinu u BiH

Dear colleagues,

It is my privilege and pleasure to invite you to participate at the 1<sup>st</sup> CONGRESS OF PERINATAL MEDICINE OF BOSNIA AND HERZEGOVINA with international participation organized by the Association of Perinatal Medicine in Bosnia and Herzegovina. The Congress will be held in Mostar from June 8-11, 2023. Through clinically current thematic sections during the program, participants will have the opportunity to examine the latest findings and recommendations for good clinical practice from recognized experts coming from the region and abroad. Some of the invited lecturers who will present the clinically most important perinatological topics are excellent scientists and clinicians coming from Finland, Italy, Austria and Israel. I believe that the selected topics and lecturers will attract the attention and interest of many colleagues, all in order to achieve high-quality health care for our pregnant women and their children. You are invited to participate and present your work through an oral presentation or poster to contribute Congress success. You will certainly enjoy friendship, interesting presentations and discussions, and the indispensable fun part of the Congress.

We look forward to your arrival in sunny Mostar!

Prof. Vajdana Tomić, MD, PhD  
President of the Association of Perinatal Medicine in Bosnia and Herzegovina
